This innovative formula will make lips visibly moisturized and softer, topped off with a gorgeous opalescence-shine and sheer cinnamon color. It has an exceptionally rich pay-off and also protects the lips, helping to increase hydration levels, so lips appear to be soft, supple, and more voluminous.

**Procedure**

Heat phase A ingredients to 90-95 °C and stir until everything is melted. Add phase B and stir for 5-10 minutes. Homogenize for 1-2 minutes and add phase C ingredients under stirring. Add phase D, cool to 80 °C, and fill into molds.
